

# **\*\*What do the Saints Say? \*\***

Use your imagination and the information that you have learned about your saint.

Write ten sentences that your saint might say, using quotation marks, spelling, capitalization, and punctuation correctly. Your sentences should use strong verbs instead of said, and should have 5 sentences using “pattern 1” and 5 sentences using “pattern 2”. Your sentences should be mostly declarative sentences, with at least 2 exclamatory sentences.

**Pattern 1:** “Jesus asked me to stop fishing and follow him as a disciple,” explained Saint James.

**Pattern 2:** Saint Paul declared, “I wrote letters to early Christian communities to encourage them.”
