

Use the map in your Kansas packet to mark each of these regions.  
Be sure to show the color or symbol you used in the legend!

**Legend**

High Plains

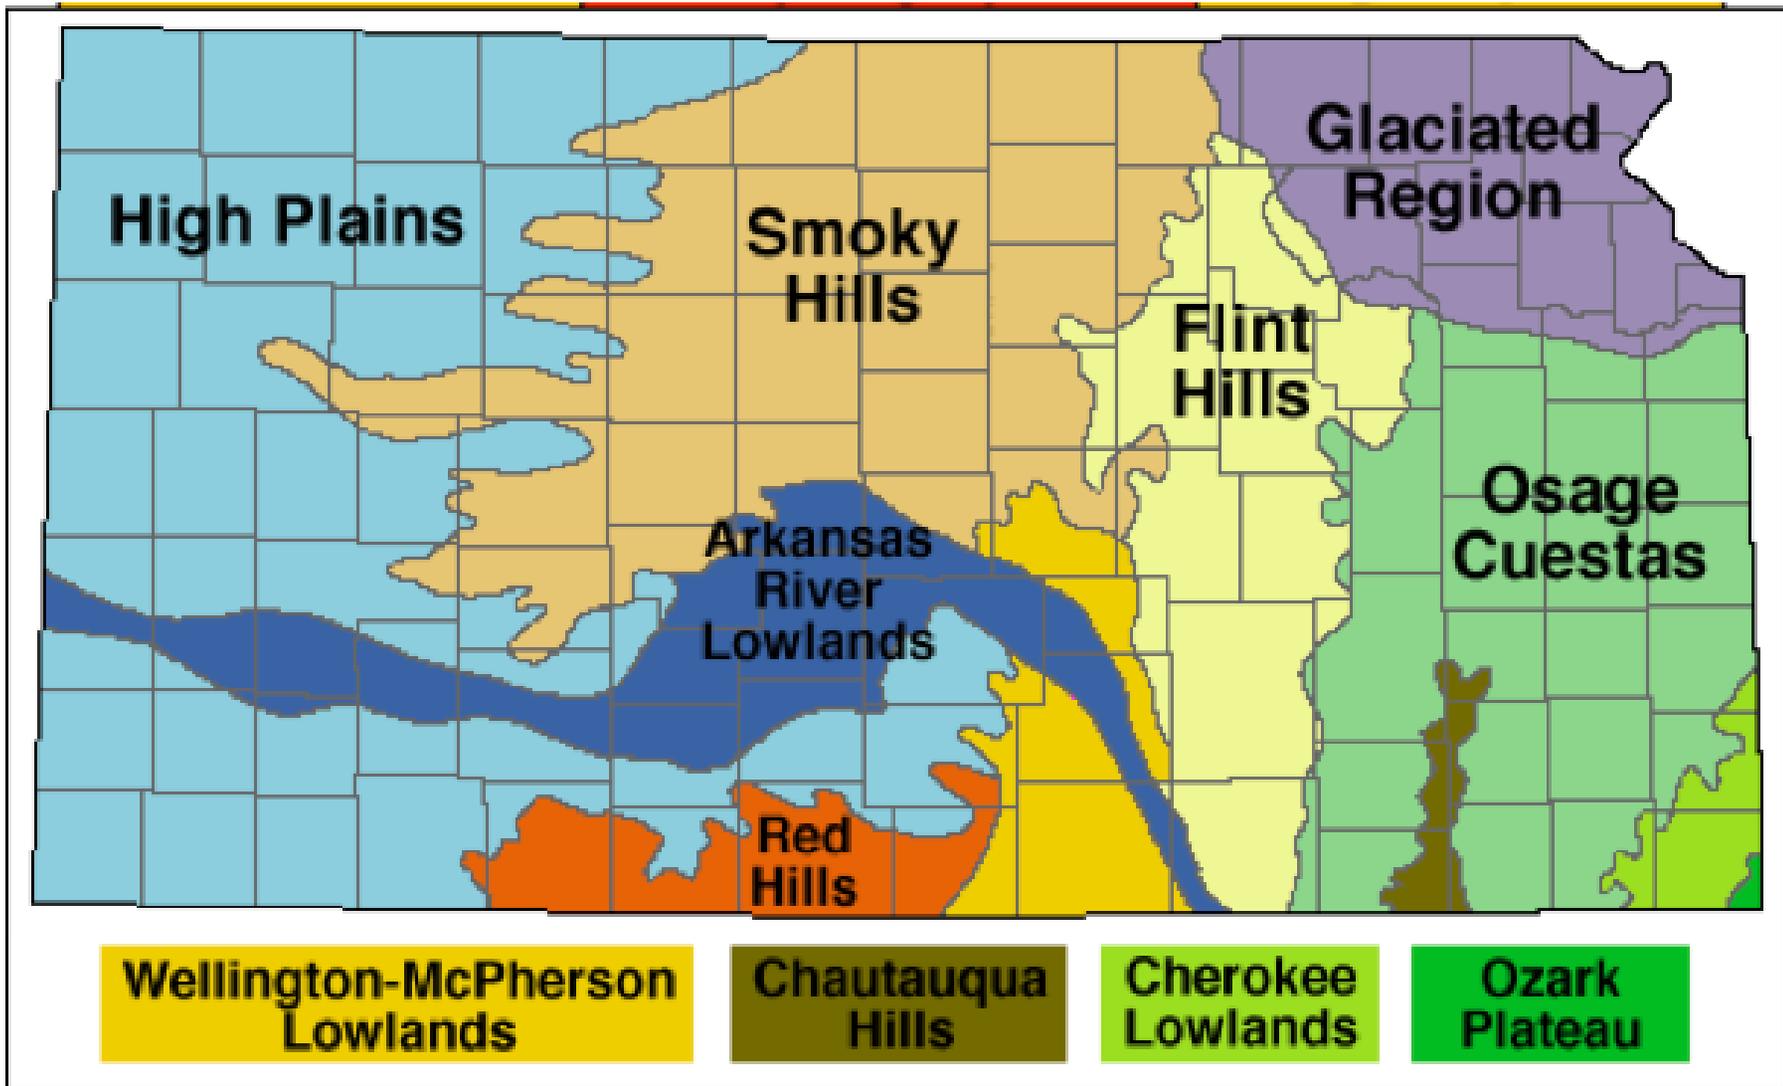

Smoky Hills

Flint Hills

Red Hills

Prairie

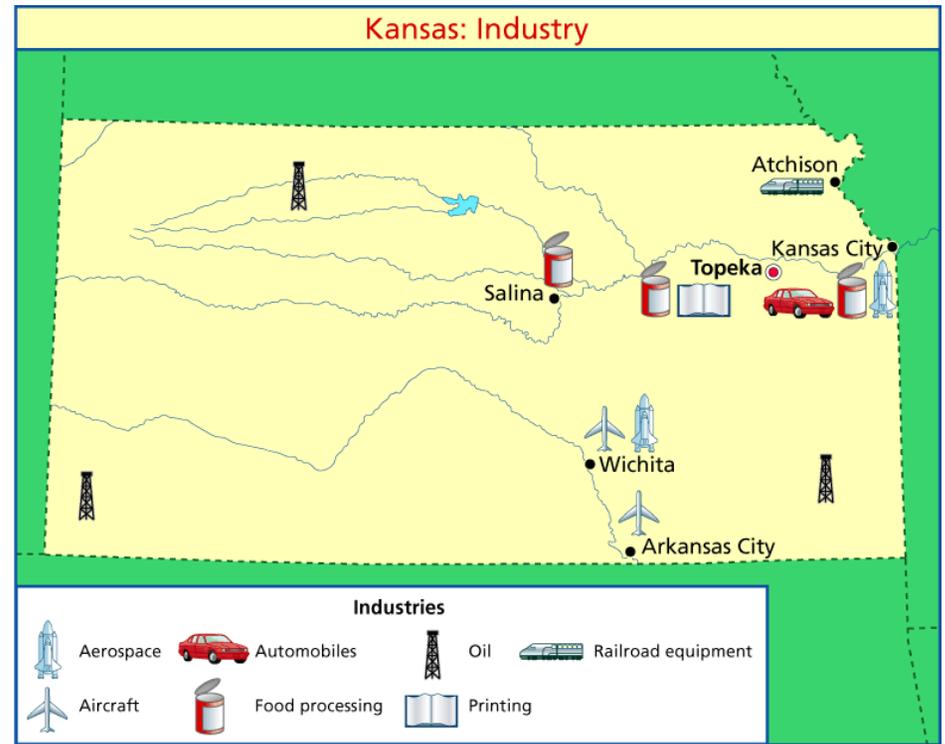

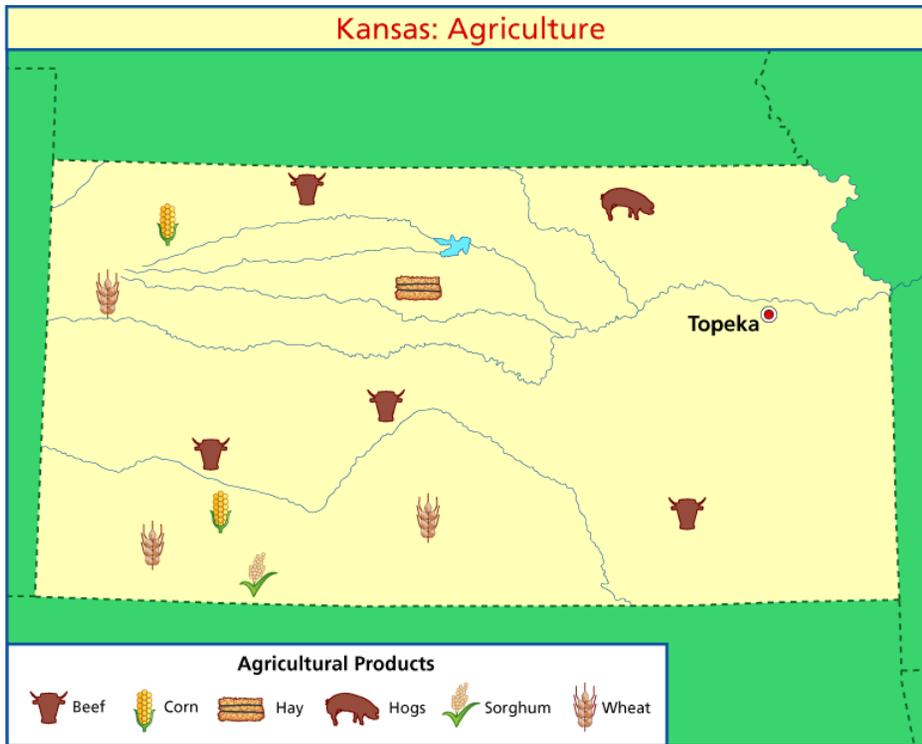

Draw  in the part of Kansas that your packet says did have trees  
when white settlers arrived in 1854.

Which side of the state contains the High Plains? \_\_\_\_\_

What caused the lowlands region that goes mostly east/west? \_\_\_\_\_

What kind of landforms would you see in the central regions of Kansas? \_\_\_\_\_
