

# ***Communication Station***

## ***Directions & Rubric***

**Goal: Communicate with others about your experiences on the tour.**

Be sure to use the correct format for your chosen style of communication, and put your names on each item.

Choose a style of communication:

- brochure
- website
- newspaper or magazine article
- series of postcards
- series of emails
- journal entries
- blog entries

Have at least 5 entries/sections that address the following:

- experiences traveling to the planet (how you traveled, what you saw, how you felt, how long it took, who you met)
- arrival at the planet (moons or rings, what it looks like, how you landed)
- experiences on the planet - 3 days' worth of entries (length or time of day, season, weather, how you travel, where you go, what you see, what you do)
  - These entries may be from 3 days in a row, or may be spaced apart by several weeks or months so you can describe different seasons, etc.
