

Biblical "Call" Pattern: Jeremiah

Here is the typical biblical pattern when someone is called by God:

1. *The person has some experience of God.*
2. *God gives the person a mission.*
3. *The person may deny being worthy.*
4. *God addresses the denial and reassures the person.*

Read Jeremiah 1. Write the events, with their verse numbers, into the sections to match the pattern.

1. *The person has some experience of God.*

This part is left out in the beginning of Jeremiah's story.

(Go to the second step.)

2. *God gives the person a mission.*

3. *The person may deny being worthy.*

4. *God addresses the denial and reassures the person.*
