Biblical "Call" Pattern: Moses

Here is the typical biblical pattern when someone is called by God:

1. *The person has some experience of God.*
2. *God gives the person a mission.*
3. *The person may deny being worthy.*
4. *God addresses the denial and reassures the person.*

Read Exodus 3: 4-18. Write the events, with their verse numbers, into the sections to match the pattern.
